

ORGANIZATIONAL MANAGEMENT

Program Overview

This badge is comprised of modules that provide tools and new ways of thinking to help learners make better tactical and strategic decisions in their organization. It will cover a wide range of topics including organizational governance, financial acumen, risk management, digital transformation and trends for the future. Individuals who take this as a stand-alone badge will be tasked with a Leadership Opportunity Challenge—an opportunity for learners to transfer the knowledge, skills and attitudes learned within the program to authentic workplace situations.

Program Information

- Cost: \$1,250 + GST
- Delivery: In-person
- Duration: 21 hours
- Outcome: Digital Badge

Organizational Management

Foster real problem solving and learn new ways of thinking to make better tactical and strategic decisions in your organization.
